Chapter 1 Overview

The Mortgage Partnership Finance (“MPF®”) Program “Concurrent Sale” servicing released structure with Iowa Bankers Mortgage Corporation involves the sale of MPF Servicing Rights to Iowa Bankers Mortgage Corporation at the same time an MPF Program participating financial institution or PFI (the “Selling PFI”) sells the Mortgages to its Federal Home Loan Bank (the “MPF Bank”). Under Iowa Bankers Mortgage Corporation’s concurrent servicing sale structure, the Selling PFI will remain liable for origination warranties, Credit Enhancement obligations, and for Government loan losses in excess of the Government Insurance for the Mortgages arising under the Selling PFI’s PFI Agreement with its MPF Bank. In turn, the Selling PFI will receive Credit Enhancement Income for the Mortgages serviced by Iowa Bankers Mortgage Corporation.

In order to participate in Iowa Bankers Mortgage Corporation’s concurrent servicing sale transactions, the Selling PFI must sign a Servicing Sale Agreement with Iowa Bankers Mortgage Corporation. Prior to delivering loans, the Selling PFI must provide their information as required by the Selling PFI Contact Information Form (Exhibit 1) to Iowa Bankers Mortgage Corporation and to the MPF Bank. Iowa Bankers Mortgage Corporation will contact the Selling PFI after the first Delivery Commitment is taken with the MPF Bank to establish communication and obtain any outstanding documentation necessary for the relationship.

MPF Xtra Commitments

A ‘MPF Xtra Servicing Transfer Notice’ (Form SG361-X) must be executed with the Selling PFI and Iowa Bankers Mortgage Corporation.

1.1 Organization of the Manual

With respect to the sale of Serviced Mortgages by a Selling PFI, all provisions of the MPF Program and Servicing Guides, the Servicing Sale Agreement, and the Selling PFI’s PFI Agreement shall apply unless they are inconsistent with a provision of the applicable Consent to Sale of Servicing.

All capitalized terms used but not defined in the Terms (Exhibit 17) of this Manual shall have the meaning provided in the MPF Program and Servicing Guides, the Selling PFI’s PFI Agreement or the Consent to Sale of Servicing. All references to “Serviced Mortgages” in this Manual shall be understood to refer to Fixed Rate Conventional Loans, FHA Guaranteed, VA Insured, or RHS Section 502 Guaranteed (RD) Mortgage Loans originated by a Selling PFI and sold to its MPF Bank at the same time that Servicing for the Mortgage is sold and transferred to Iowa Bankers Mortgage Corporation.

1.2 Eligible States

Iowa Bankers Mortgage Corporation can only purchase servicing on loans for properties located in Arizona, Colorado, Illinois, Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota, South Dakota, and Wisconsin.

Chapter 2 PFI Approval

In order to be eligible for this structure, a PFI must sign the Servicing Sale Agreement and meet the requirements listed below, as applicable.

2.1 New PFI

Iowa Bankers Mortgage Corporation understands that a PFI who is new to the MPF Program may elect on its PFI Application submitted to its MPF Bank, to be considered for approval as either a 'Servicing Released' or a 'Servicing Retained.' A Servicing Retained PFI may also elect to sell loans on a Servicing Released basis under specified Master Commitments. If you are new to the MPF Program, please contact your MPF Bank to confirm your eligibility to participate in this structure.

2.2 Existing PFI

For an existing PFI, no additional approval should be required to sell servicing to Iowa Bankers Mortgage Corporation.

Chapter 3 Servicing Released Premium (SRP) / Pricing Schedule.

Iowa Bankers Mortgage Corporation will supply a Servicing Released Premium (SRP) Schedule (in the form of Exhibit 3) of the price to be paid by Iowa Bankers Mortgage Corporation for the Servicing Rights, stated as a percentage of the Principal Balance of the Serviced Mortgages on the Sale Date. The date of purchase of a Serviced Mortgage by the MPF Bank shall be referred to in this Manual as the “Sale Date.”

Iowa Bankers Mortgage Corporation will publish updated schedules periodically and provide notification of such changes to all of our contacts with the PFI provided on Exhibit 1. Changes to the SRP Schedule will be effective for Delivery Commitments issued on the effective date of the new SRP Schedule.

The MPF Provider will manage all Master Commitments and Delivery Commitments in accordance with the MPF Program and Servicing Guides and Iowa Bankers Mortgage Corporation will manage the SRP for the Serviced Mortgages in accordance with the requirements provided in this Manual. The PFI is responsible for the use of the most current SRP/Pricing Schedule from Iowa Bankers Mortgage Corporation in effect on the date the Delivery Commitment is issued, that is the only Schedule that will be honored.

3.1 Master Commitment

When the PFI takes out a Concurrent Sale Master Commitment where the servicing will be sold to Iowa Bankers Mortgage Corporation (“Concurrent Sale Master Commitment”), the Selling PFI must be identified as the Originator and Iowa Bankers Mortgage Corporation must be identified as the Servicer. The Concurrent Sale Master Commitment can be for Fixed Rate Conventional Loans or Government Loans, as defined in Section 1.1, with an Actual/Actual remittance type. Original MPF, MPF 125, and MPF Xtra are the products eligible for this structure with Iowa Bankers Mortgage Corporation.

3.2 Delivery Commitment

Each Delivery Commitment will be issued pursuant to the applicable Concurrent Sale Master Commitment (See the MPF Program Guide for issuance of Delivery Commitments). Upon notification from the MPF Bank of a transaction, Iowa Bankers Mortgage Corporation will issue to the Selling PFI a Registration Confirmation which will include an Iowa Bankers Mortgage Corporation loan number and Mortgage Electronic Registration System (MERS) MIN number. This will be sent via secure email to the originator of the Delivery Commitment. This MIN number will be used on either the Assignment of Mortgage to MERS or the MOM Mortgage. In the event the Delivery Commitment results in a delivery of more than one loan, the Selling PFI must contact Iowa Bankers Mortgage Corporation to obtain

additional Iowa Bankers Mortgage Corporation loan numbers and MERS MIN numbers. In the event that the Selling PFI is a member of MERS and has the ability to generate their own MIN numbers and register loans on the MERS system; the MERS MIN number given by Iowa Bankers Mortgage Corporation can be disregarded.

Chapter 5 Document Custody

5.1 MPF Program Custodian

The MPF Program Custodian must be the Custodian for all Serviced Mortgages under this structure. The Selling PFI is required to deliver Collateral Files to the MPF Program Custodian (see other contact information provided in Exhibit 2) in accordance with the timeframes and requirements of the MPF Program and Servicing Guides, to obtain the approval of the MPF Program Custodian that documents are in correct form and are properly executed. The Collateral File, which is sent to the MPF Program Custodian, must contain original documents or certified copies of originals, as required below and in the MPF Program and Servicing Guides.

The Selling PFI must also send a certified copy of the MERS Assignment to the MPF Program Custodian (See Exhibit 7). The Selling PFI must follow prudent business practices in protecting and safeguarding all documents released to it by the MPF Program Custodian until these documents are returned to the MPF Program Custodian, as required by the MPF Program and Servicing Guides.

Chapter 6 Servicing Transfer Provisions

6.1 Servicing File Upload Timeframe

For each Serviced Mortgage, the Selling PFI must upload to Iowa Bankers Mortgage Corporation within seven (7) calendar days after the Sale Date the Servicing File which contains the documents listed in the Servicing File Checklist (Exhibit 6). The Selling PFI should retain all original documents (electronic document retention is also acceptable) aside from the Note, Mortgage and Assignment of Mortgage, if applicable, for their internal record and any quality control purposes.

6.2 Servicing File Upload Procedures

Prior to delivery of a Selling PFI's first file package, Iowa Bankers Mortgage Corporation will contact the PFI to setup a login to our Secure Website: <https://www.myibmchq.com> (Exhibit 15). If a PFI does not have technical capability for the automated upload system, arrangements must be made in advance for physical file deliveries.

All Servicing Files must be in the order specified in the Servicing File Checklists (Exhibit 6) with the Bar Code Separators (Exhibit 16) properly inserted between each category. Uploads should be referenced by the following indicators:

Borrower Name _____
IBMC Loan Number _____
MPF Loan Number _____

6.3 Review and Acceptance of the Servicing File Upload

Iowa Bankers Mortgage Corporation will review each Servicing File Upload upon its receipt from the Selling PFI in order to determine that all required documents have been provided and ensure that the Servicing File and the Serviced Mortgage comply with the terms of this Manual and the MPF Guides.

If required documents are not included with the Servicing File Upload, the Primary Contact on the Selling PFI Contact Information (Exhibit 1) will be contacted.

If Iowa Bankers Mortgage Corporation determines that the Servicing File or the related Serviced Mortgage is not in compliance, Iowa Bankers Mortgage Corporation may choose to reject the Servicing File. Iowa Bankers Mortgage Corporation will notify the MPF Bank and the Selling PFI within five (5) Business Days after receipt of the rejected Servicing Files including the reasons for the rejection and will return the Servicing File to the PFI. If notice of rejection is not provided for a Servicing File within five (5) Business Days, Iowa Bankers Mortgage Corporation will be deemed to have accepted the Servicing File (subject to its right to recommend repurchase in accordance with Chapter 8 of this Manual and/or the MPF Guides).

If Iowa Bankers Mortgage Corporation rejects a Servicing File Upload and provides notice as described above, the Selling PFI must correct defects and return the corrected Servicing File to Iowa Bankers Mortgage Corporation (see Chapter 8 for more information on loan defects).

The Selling PFI must deliver an acceptable Servicing File to Iowa Bankers Mortgage Corporation before the tenth (10th) calendar day prior to the first payment due date for a Serviced Mortgage (or the preceding Business Day if that day is not a Business Day). These timeframes are critical to ensure Iowa Bankers Mortgage Corporation has time to communicate with a borrower before a first payment is due. Non-compliance from the Selling PFI will result in the requirement to repurchase the Mortgage from its MPF Bank in accordance with Chapter 8.2.

6.4 Servicing Expectations on Government Loans

Iowa Bankers Mortgage Corporation requires that the Selling PFI initiates the record change on all Government Loans. For FHA loans the PFI will process the 'Servicer/Holder Transfer' (HUD Form 92080) in FHA Connection using Iowa Bankers Mortgage Corporation Lender # 14711. Any RD loans need to have a completed Form 1980-11 showing FHLB as the Holder and Iowa Bankers Mortgage Corporation as the Servicer.

6.5 Servicing Released Premium (SRP) Payment

On or before the fifth (5th) Business Day of the month following receipt and acceptance by Iowa Bankers Mortgage Corporation of the Servicing File and all required funds, Iowa Bankers Mortgage Corporation will pay, via ACH, the Servicing Released Premium (SRP) payment to the selling PFI. On or before the fifth (5th) Business Day of each month, Iowa Bankers Mortgage Corporation will supply the Selling PFI's primary and secondary contacts (Exhibit 1) with loan level SRP information and summary SRP payment data for Serviced Mortgages boarded the prior month in the form of the Servicing Released Premium Statement (Exhibit 9).

The SRP to be paid for the Servicing Rights with respect to a Serviced Mortgage will be an amount equal to the SRP Percentage in effect on the date on which the Delivery Commitment covering such Serviced Mortgage was issued, multiplied by the Principal Balance of such Serviced Mortgage as of the Sale Date. If the Principal Balance used in computing the SRP for any Serviced Mortgage is later found to be incorrect, the SRP shall be promptly and appropriately adjusted, and payment of the difference will be promptly made by the appropriate party. These reports will be sent via secure email.

6.6 Other Fees

Iowa Bankers Mortgage Corporation will charge the following fees for each Serviced Mortgage and will net the fees from the SRP due to the Selling PFI for the Serviced Mortgage.

- Processing Fee	\$150
- Tax Service Fee.....	\$81
- Escrow Waiver Fee.....	0.25% of the UPB at time of Sale to MPF
- Escrow accounts are required on all loans with an LTV>80%.	

6.7 Escrow Funds

The Selling PFI (or the Closing agent) will be required to provide account debit ACH information to Iowa Bankers Mortgage Corporation prior to Funding of their first loan (Exhibit 1). Funds will be debited from the Selling PFI on the date each loan is boarded to Iowa Bankers Mortgage Corporation servicing system. The Selling PFI will receive an automated email detailing the debit on the business day prior to the draft.

An Initial Escrow Disclosure Statement or Escrow Funds Reconciliation must be submitted with each loan file. The amount of the Escrow Funds shown on this form should be equal to the amount shown collected on the Closing Disclosure Statement and will be debited from the Selling PFI's account for Escrow Funds due Iowa Bankers Mortgage Corporation on the Serviced Mortgage.

Documents in the Servicing File should indicate whether an Escrow Account has been established for the Serviced Mortgage. These documents include, but are not limited to, the Closing Disclosure Statement, Initial Escrow Disclosure Statement, or signed Escrow Waiver Agreement (Exhibit 8). Any incorrect information provided by the Selling PFI could result in Selling PFI responsibility for tax penalties and/or insurance loss.

All loans serviced by Iowa Bankers Mortgage Corporation must include a two-month cushion in the escrow account. Iowa Bankers Mortgage Corporation **does not** require a two-month cushion on PMI premiums, FHA Premiums, or RD Guaranty Premiums.

6.8 Property Taxes

The Selling PFI must provide Iowa Bankers Mortgage Corporation with a complete and accurate Tax Information Sheet (Exhibit 10) for each Serviced Mortgage, regardless of whether or not an Escrow Account is established for the loan. Iowa Bankers Mortgage Corporation requires this information in order to monitor payment of taxes. Special notes should be made if a loan requires escrow payments for multiple parcels, City Taxes, or Special Assessments.

The Selling PFI must pay all taxes, delinquent taxes, or related tax amounts due within thirty (30) days before or after the Sale Date. This includes but is not limited to base tax amounts, penalties, interest, etc.

6.9 Insurance and Flood Vendor Requirements

Each Serviced Loan should have adequate hazard insurance and deductibles to meet the requirements referenced in the MPF Traditional/Xtra Servicing Guides. The servicing file must also include a flood determination certificate stating whether or not the Serviced Loan is in a Special Flood Hazard Area.

Effective January 1, 2016, all loans with required flood insurance must be escrowed.

6.9.1 Hazard, Flood, and Condo Insurance Requirements

The Servicing File should include evidence of hazard and, if applicable, condo and/or flood insurance with a Mortgagee Clause to Iowa Bankers Mortgage Corporation (Exhibit 2).

If the Mortgagee Clause of Hazard, Condo, or Flood Insurance policy is not in the name of Iowa Bankers Mortgage Corporation, as required above, the Selling PFI must prepare and mail a letter requesting the endorsement change of the Mortgagee Clause and provide a copy to Iowa Bankers Mortgage Corporation (Exhibit 11).

The Selling PFI is responsible for paying all insurance premiums due within thirty (30) days before or after the Sale Date.

6.9.2 Flood Zone Determinations

The Servicing File is required to contain a flood zone determination with life-of-loan coverage from one of the following approved vendors for each Serviced Mortgage:

- Corelogic
- Lereta
- CBC Innovis

This Flood Zone Determination must name Iowa Bankers Mortgage Corporation as the Lender at the time of loan transfer to IBMC.

6.9.3 Mortgage Insurance

Iowa Bankers Mortgage Corporation will maintain primary mortgage insurance on any Serviced Loan with a Loan to Value Ratio in excess of 80% in accordance with the MPF Traditional/Xtra Servicing Guides.

The originating PFI must notify the PMI Company of the transfer at the time of delivery to IBMC.

6.10 Recorded / Final Documents

The Selling PFI must deliver to Iowa Bankers Mortgage Corporation the original recorded and/or final documents (when applicable) attached to the Recorded/Final Documents Checklist (Exhibit 6) within ninety (90) days after the Sale Date. If not, all documents are available at ninety (90) days, the Selling PFI should deliver the available documents and provide the remaining documents as they become available. The checklist must be attached to the documents sent for each Serviced Mortgage. Recorded and/or final documents should be shipped or sent electronically to the address shown on the Iowa Bankers Mortgage Corporation Contact Information (Exhibit 2).

Selling PFI will be responsible for the Final Certification Process with the Document Custodian for all FHA, VA, and Rural Development Loans. Copies of the Mortgage Insurance Certificate, VA Loan Guaranty, or Loan Note Guarantee must be provided to Iowa Bankers Mortgage Corporation within ninety (90) days after the Sale Date. Failure to provide proof of this Government Loan Insurance may result in repurchase by the Selling PFI.

6.11 Supplementary Information

Prior to and after the Sale Date for a Serviced Mortgage, the Selling PFI at its own expense will furnish promptly to Iowa Bankers Mortgage Corporation any supplementary information related to the Serviced Mortgage which Iowa Bankers Mortgage Corporation reasonably requests and which is reasonably available to the Selling PFI; and render reasonable assistance to Iowa Bankers Mortgage Corporation to enable Iowa Bankers Mortgage Corporation to efficiently take over and service the Serviced Mortgage.

Dear Homeowner(s):

Iowa Bankers Mortgage Corporation (IBMC) would like to welcome you as a new customer. Your first payment on your mortgage loan will be due July 1, 2023. Prior to your first due date, you will receive a monthly billing statement.

If your loan includes an escrow account which is used to pay your taxes and/or insurance, an Initial Escrow Account Disclosure Statement will be mailed separately. Annually, we will analyze the escrow account, and your payment may be adjusted accordingly.

For your convenience, IBMC would like to offer you two additional payment options:

AUTOPAY is a service that allows your monthly payments to be automatically deducted from your checking, savings, or credit union account on the first business day, the fifth of each month or the twelfth of each month. If you are interested in this free program, please contact our customer service department and request a form be mailed to you, or enroll at your convenience at www.myibmclan.com.

BI-WEEKLY PAYMENT is a service whereby one half of your monthly payment is drafted from your bank account every other Friday, and the full payment is posted once a month. This option is very convenient if your payday coincides and will shorten the term of your mortgage resulting in significant interest savings. A comparison letter and enrollment form has been enclosed. Please note, the comparison letter indicates both the time and interest savings with this service. There is a \$2 per draft fee for this service.

PARTIAL PAYMENTS: IBMC may accept and hold partial payments in a separate account until you pay the rest of the payment, and then apply the full payment to your loan. Please contact our Loan Servicing Department for more information regarding the circumstances under which we will accept partial payments. If your loan is sold, your new lender may have a different policy.

To request information or to assert an error, you must contact us in writing at the following address:
